

**Dear Tempe HS Students and Counselors,**

With the impact of COVID-19 on Arizona schools Maricopa Community Colleges' top priority is the health and security of the students. We know your students are interested in enrolling at South Mountain, Chandler-Gilbert, Scottsdale, Rio and Mesa Community College. We are all committed to making this temporary transition run as smoothly as possible.

We are currently transitioning to an all-electronic format for enrollment and recruitment services and appointments, as well as developing strategies to be able to connect with students virtually for their needs and questions about enrollment.

We recognize that you may have already put in place processes of your own, such as using Rep Visits for appointments, which we can definitely adapt our procedures to as well. Please let us know if you'd like us to work with you using that platform or another system to support your students.

We would like to strongly encourage all students to consistently check their personal emails as well as their Maricopa emails by logging into their Student Center. Communication will be ever so important during this time.

**For any questions or concerns, please contact us at your convenience.**

Outreach and Recruitment: 480 461-6392.
